PRESIDENT'S MESSAGE

WOW, that was one of our biggest Quilt Shows ever! Thank you to Cathy and Sue for making it go smoothly and hopefully profitable. Thank you to all who participated, worked, enjoyed, and brought their smiles to the show!

September brought a Great Quilt Show and also our 35th Anniversary Celebration in our new location at the VFW! I was so pleased that everything came off without a hitch (or at least no one shared any hitches). Our new location has been wonderful, they not only supplied the coffee but made it too! Its clean, bright, fresh and they are wonderful people to work with. The VFW have round tables also, so we will give them a try in October. And for added comfort they have heat and air conditioning AND there is also the added comfort of a drink if needed. LOL

Thinking points for everyone: Next Quilt Show Chairmen? Cathy Boo shared that the date that would usually be our 2018 date is also the date for the Paducah Fall Show, so some thinking will have to go into our 2018 Show. Also our next Quilt needs to have a Chairman and committee to start thinking fast about what design and fabric, etc.

Also Board positions will be open in January, our Nomination committee will be getting busy talking to YOU! 3 Officer and 2 Executive positions will need to be filled in 2017. Please keep our Guild in your thoughts as we approach the new year.

The upcoming programs look great, so please remember, the Guild is hiring and paying these wonderful presenters to come for our benefit (your membership and the Quilt Show monies at work). If we do not support these speakers/workshops, then we need your input as to what direction the Board should be going. I have never gone to a workshop that I have not learned something! These are for US!

Put on your Thinking Caps!
Karen and Barb
Co-Presidents

October Block Lottery

Our block for **October** is: Sarah’s Choice
<http://www.quilterscache.com/S/SarahsChoiceBlock.html>

This is a 12” block (12.5 unfinished) Colors are: Light beige for the background and any coordinating light and dark fall colored fabrics.

You can make as many blocks as you like, each block gets you 1 chance to win them all. So 2 blocks = 2 tickets, 3 blocks = 3 tickets, and so on. Bring your completed 12.5 inch blocks to the meeting on October 11th.

It is so exciting to see who will win 12 blocks, and then to see, later on, what they will do with them. And it’s even more exciting when we can have 2 and even 3 drawings, because we have so many blocks!

Preview: The **November** lottery block is Indian Mats
<http://www.quilterscache.com/I/Indian%20MatsBlock.html>

Using coordinating brights of your choice and 1 striped fabric, 4 6” blocks make up one 12” block!.

And just like any lottery—you have to enter to win!

Mickey Depre Workshop on November 8th

Mickey Depre- Instructor ©2016.2 Mickey Depre

“A Taste of Summer Carnival” SUPPLY LIST

#1 Supply: Sewing Machine in good working order that you are familiar with.
Please bring instruction manual to class if available.

Basic:

- Cutting Matt and Rotary Cutter with a new blade
- Ruler – best size is 6” x 12” for general cutting
- Ironing Pad or a thick towel
- Iron

*NOTE: Ironing stations can be shared by up to 4 persons in each workshop

- Universal Foot or ¼ inch Foot
- Thread, pins, seam ripper, scissors...you know the drill...all the stuff you need to sew with while in class.
- Marking Pen or Pencil visible on light and dark fabrics (I love Sakura white gel pens for marking dark fabrics. You can find these in the scrapbooking section of most hobby stores)

Fabric:

The goal in class is to make a few scrappy Meems quilt blocks. Fabric yardage is somewhat open ended as some will sew faster than others. Feel free to bring more...never bring less. ☺

A **BONUS** table runner pattern will be given at the time of the workshop. I am a firm believer in trying out a pattern and learning the construction tips while making a few blocks in the workshop. These blocks can be used in the bonus pattern or the start of a full size quilt. So feel free to truly bring scraps vs. cutting into yardage for these workshop learning blocks.

1. (12-15) 1.5” x 10” strips. This 10” is a MINIMUM. Strips can be longer no need to cut them down prior to class. Make sure you have a good variety of colors, value and prints. No traditional backgrounds needed.
2. (7-10) 2.5” x 15” strips. This 15” is a MINIMUM. Strips can be longer, no need to cut them down prior to class. Make sure you have a good variety of colors, value and prints.
3. (3-4) 2.5” x WOF strips that are neutral in color. Lights: white, off white, cream, taupe, light grey, small prints will work but shouldn’t be too much as it will compete with the explosion of color that is the rest of the block. You truly want this fabric to be a background.

Most Important Supply: A Sense of Humor and a smiling face. We are going to spend some time sewing (and possibly swapping) fabric with a bunch of new friends. The ability to listen, laugh and learn will make it a success for all who walk thru the door!

NOTE:

“Half-Scrap” Quilts book is required.

Book will be available to workshop attendees at the reduced price of \$20.

Please email me at mickey@mdquilts.com if you wish to guarantee I will have a book held/waiting for you at the workshop.

November 8, 2016 Evening Lecture with Mickey Depre Let’s Get Hexed

Mickey will provide English paper piecing papers. Please bring two 3.5” squares of fabric, one pin, one needle, basting thread and small scissors. A thimble is optional.

Let’s All Get Hexed Together!

I'm writing to express my thanks to the person who made this lovely quilt that was won by me as a door prize last weekend. All their time and talent to construct and donate such a beautiful piece is appreciated more than I can say.

Thank you,
Ellen Ferone

Congratulations goes to the winners of the Sewing Machines:
The Bernina Bernette went to Dorothy Engstrom from Chicago
The Brother went to Sydney Roberson from Minooka, Judy Kestel's 9 year old grand daughter.

To my sisters of fabric,

Wow! Wow! Wow!! What a wonderful quilt show !! Thank you everyone for all your hard work. This show would not have been possible with out all of your hard work.

I have received a few very good and informative emails about things to do to help with the next show. (it's 23 months away) hehehe. Thank you for the emails. If anyone else has a suggestion please send it to me. Might be something we could use.

Next thing to be worked on is the next raffle quilt and who will be doing it. What pattern ?? All this fun stuff. If you are asked to help please say yes. Having, in years past, done a raffle quilt for the guild it was great having the members help.

On a personal note I want to say thank you to all of you for all your kind words to me about the show. It was a labor of love..

Piecefully yours
Cathy Boo
