### **PRESIDENT'S MESSAGE FROM CATHY BOO**

Hello Quilters:

Wow !! Just wow !!!

What a fantastic quilt show ladies. It always amazes me the quality of work this guild has. You all did a great job.

Something about the show that I always enjoy is getting to talk to everyone. When we have the meeting it is so busy I don't have the opportunity. Did you know we have a lady who just bought a house in Lockport ?? We also have a lady who makes hats ... I had such a nice time talking to everyone. I hope you took time to say hi and make a new friend .

As some of you know Saturday night was also our daughter Rachael's engagement party. We had it at the VFW and about 75 people showed up. We are happy to welcome Josh into our family.

This has been a busy fall for quilt shows. Paducah , our guild show and I am now in Des Moines. I look forward to being home and starting to sew on new projects with fall and winter coming. Do you have a new quilt you are planning to make this year ??

We are starting to put things away at the farm in preparation for winter. The equipment is not being used anymore and has been put away. Hay is done and ready for the winter. Waiting for the soy beans to be ready to harvest. It's never a dull moment.

Once again thank you for stepping up to make the quilt show a huge success..

Sew on,  
Cathy

**HELP WANTED:** We are looking for a microphone and speaker system that we can put to good use at our meetings! We will be scouting around for a system that we can buy for the guild, but in the meantime, we do need to hear what's going on—especially for our wonderful guests and for show and tell! Does anyone have one that we can “borrow” until we purchase a system? Let Cathy or any board member know.

## Quilt Show Thank You

Grace, Sandy, and I would like to thank all of you for your help and participation to make the 2018 Harvest of Quilts Show such a great success.

You should be proud of all the wonderful quilts that were submitted. At every quilt show we are continually amazed at the talent exhibited by our members. The variety of size, color, and pattern are truly a feast for the eyes. The excellence in workmanship and the growth in exploration of new techniques are an inspiration to our guild and to the visitors to the show.

The dedication of the committee chairs and volunteers made the job of being chairmen for this show a true pleasure. Each person took their job seriously and carried it through to completion with grace and skill. Despite the fact that we were unable to access the school until 3:30 and the whole gym until 5pm the show was hung and set up in record time. It only took 4 hours to get all the racks up and quilts displayed. We would be remiss in not thanking the very hard working male family members who came and worked so diligently to get the job done.

All this hard work and dedication has truly made this guild show a wonderful experience.

Thank you all,  
Marie, Sandy and Grace

SOS Quilting usually meets monthly, on the 3rd Saturday of the month from 9AM to 3PM. If SOS needs the room for meetings, we will get cancelled, so check here to see if the sewing day has been cancelled. Drop in anytime, or bring your machine and spend the whole day, it is up to you. Refreshments are usually there, and if you plan on spending the whole day, bring your own lunch.

You can contribute time to making quilts for the kids at SOS, or you can bring your own projects to complete.

SOS refers to the SOS Children's Village located at the SW corner of Bruce Road and Briggs Street.

This is a live-in facility for children who cannot live with their parents.

SOS kindly lets us use a work room with storage space in exchange for quilts for the children.

A win-win situation for all.

SOS Village Work Days

Please note there will be no SOS sewing in September, October or December.

2018  
October 20th  
November 17th

December we will not meet.

Why not join us on October 20 for sewing at SOS. You can work on your own project or work on a quilt for SOS.

Everyone is welcome. Bring your machine or do some hand sewing. Hope to see you.

**As the school supplies come out please consider purchasing glue sticks, bic-type pens, colored pencils and color markers to fill their stockings.**

## PERSONAL NOTES

This page is to communicate any personal news items to the guild.

Please send any personal news item to Bobbie Molony at [bbmolony@comcast.net](mailto:bbmolony@comcast.net) with the subject of “newsletter—personals” otherwise I might miss it. We want to share your life events with you. Anything worth sharing is accepted—weddings, births, deaths, illnesses or surgeries. We are a guild of friends and quilting sisters, and not strangers.

Please send an email to [bbmolony@comcast.net](mailto:bbmolony@comcast.net) with “newsletter—personals” in subject line.

A big thanks to everyone for cards and calls and messaging while I have been healing from knee replacement surgery.

The surgery itself was quite successful, but due to my many allergies it has been a challenge to find pain meds that I can use. I am getting through—painfully—with Tylenol. At 7 weeks now the pain is becoming more tolerable.

Bobbie Molony

**Received word that Beverly Pavesich in home from the hospital. She has had a stroke and is being cared for by her husband, Jim..**

Get well wishes to Anne Fueling who is recovering at home after a trip to the hospital.

Keep Jeanne Engstrom in your thoughts—she is having foot surgery on October 5th. Prayers for safe surgery and quick healing.

A big thank you to all the quilters of the guild who had a hand in making the beautiful quilt of valor I received at the opening of the quilt show on 9/22.

It felt so good to be recognized for my service in VietNam. Sincerely, Bill Molony
