The main goal of the Heritage Quilters Guild is to have fun while promoting quilting in the area. In order to accomplish this, members are asked to share their interests, time and talents generously to better our guild. Each member is automatically required to donate *two hours of time* to the quilt show.

Following are the areas in which members are required to participate. Please remember that more hands make less work. Joining in is the only way to get to know others, and share experiences and knowledge.

How can we count on you? Please check your areas of interest!

- Program: i.e.:
- Assisting the speaker by holding folding quilts.
 - Speaker transportation
- Business Meeting: i.e.:
- Assisting with Show and Tell.
 - Set up speaker system.
 - Room set up and take down.
 - Hospitality: i.e. Assist chairperson with refreshments.
 - Social Quilting: Teaching new methods or projects.
 - SOS Workshops: i.e. Making quilts for the SOS Village Children.
 - Heritage Quilters Guild Quilt Show: i.e. Travel with raffle quilt.

MEMBERSHIP OBLIGATIONS: Serve on a committee, work at special events (i.e. Quilt Show), sell or purchase Guild raffle tickets assigned to you, provide refreshments at least once a year at a membership meeting, and otherwise volunteer your time and talent to support the Guild.
