Sincere Condolences to members:

Joanne DiNovo on the death of her sister,
Judith Scanlon on July 6, 2020

And to:

Linda Bromer on the death of her
Mother-in-law Patricia Bromer.

May they rest in peace.

At the Board Meeting via Zoom on July 28th the Board heard that the VFW is unable to let us meet on September 8th, due to a commitment during the day—leaving insufficient time to clean the hall for our meeting. The Board decided to hold a Zoom Business meeting of the Guild on September 8th at 7:00 PM. You will receive the link to Zoom in time for this meeting.

We are tentatively planning on an “in-person” meeting on September 15th at the VFW—masks will be required and social distancing will be observed. This meeting will be contingent on The State of Illinois requirements for meetings. We sincerely hope to be able to see you all on the 15th. We miss all of you!!!!

If we are able to hold this meeting on the 15th, please bring whatever raffle tickets you may still have, so they can be turned in and counted for the drawing on the 20th.

We are hoping to have a drawing on September 20th for the Raffle quilt. That would have been the time for the drawing if there were a quilt show.

Call for Veterans Quilts!

The VFW Auxiliary and our Guild has decided that we should go ahead and disperse the quilts that we have made this year. This pandemic has gone on so long, and no one knows what will happen next. It would be nice to see the quilts we have made get into the hands we intended them for!

If you have a Veterans Quilt that is finished, or might be done by August 6th, - - - Please call me. You can drop them off to me, or I can pick them up.

If you have a Veterans Quilt that you have not had time to work on, and would like to see it moved along for someone else to complete, - - - Please call me.

If you have the time to help make, and sew on labels to the 8 quilts that we have collected, - - - Please call me.

If you have any other ideas, - - - Please call me!

Thanks so much for all the help with this very deserving project!
